PRIVATE TRAINING

\$389

Paws & Pints offers **Private Training** in addition to training classes designed for those who need training on their terms and want faster results than a group training class.

Private Training is also designed for dogs that require additional attention resolving fear, separation problems and aggression. Our private training curriculum completely caters to your dog's needs, and the length of the training course is dictated by your dog's progress. Most private training courses last 2-3 weeks but can go as long as 5 weeks in more extreme behavioral situations. Examples of dog training and behavioral issues we can help with are limitless.

- Housetraining Issues
- Excessive barking
- Jumping
- Destructive Behavior
- Potty-Training Issues
- Listening Skills
- Excessive Chewing, Biting and Nipping
- Manners & Obedience Issues
- Behaving Around Children
- Socialization Skills
- Fear & Aggression
- Dominance & Submissive Behavior
- Pulling on Leashes
- Ignoring Basic Commands
- Separation & Other Anxiety Issues

REQUIREMENTS

- All dogs must graduate our Basic Training class or have proof of attending a basic manners or small dog course in the last two years.
- All dogs must be current on vaccinations and Bordatella.
- All dogs must be spayed or neutered unless a licensed Veterinarian provides a written recommendation.

PUPPY ACADEMY

Paws & Pints **Puppy Academy** is a comprehensive training program in which our professionals train your puppy for you, alleviating the stress of puppyhood.

CURRICULUM

\$289

The **Puppy Academy** is designed to assist you by training your dog in all the fundamentals to get you through puppyhood. Buying a new puppy is hard work, so allow us to take the ruff out of it! This program runs 3 days per week for 4 weeks, and focuses on the following:

- Basic Obedience Commands: Sit, Down, Stay, Leave-It
- Boundary Awareness
- Potty Training
- Healthy Eating Habits
- Kennel/Crate Training
- Fetch
- Leash Awareness
- Curve Bad Habits: Nipping, Biting, Jumping
- Socialization Skills
- Introduction to Bathing & Grooming

HOW IT WORKS

Drop your puppy off in the morning, we train and look after your puppy all day, and then we brief you on what was taught and learned in class when you pick your puppy up. The last week of the class involves your attendance in a group training format with your puppy, so you can pick up on some training tips to work on and perfect at home.

TRAINING CLASSES

Paws & Pints offers two distinct group-training classes, allowing you to learn and practice dog training skills right alongside your best friend.

We believe in smaller-sized classes to allow more time for questions and individual demonstrations. Each class is 4 weeks long, 3 classes per week, and 2 hours per class. Group classes offer a wonderful opportunity to practice in a controlled environment with safe distractions that better prepare your dog for the real world! Each dog will receive a training collar, two leashes, and a graduation party.

K-12 TRAINING PROGRAM

At Paws & Pints we strive to create a culture of responsible dog owners who want the absolute best for their dog.

We believe that top-quality training gives your dog the opportunity to live its best life.

BASIC TRAINING \$389

Our **Basic Training** class is designed to build a solid foundation for your dog's basic life skills while giving you an introduction on how to handle and communicate with your dog.
